

Please be advised that Upper Hanover Township has contracted with Bi State Construction Co. to replace the bridge on Otts Road which is located approximately 700 feet east of Route 663.

A detour will be established on July 27, 2022. Otts Road will be closed to through traffic between Route 663 and Morgan Hill Drive for approximately five months.

Otts Road will be detoured via Route 663, Main Street (Route 29) and 8th Street/East Buck Road. Local access will be provided to all properties on Otts throughout construction, however, through traffic across the bridge will be blocked.
