

## Relay For Life Set for Saturday May 18, 2019

When you Relay, you help save lives. Did you know that one in three people in the U.S. will be diagnosed with cancer in their lifetime? One of those people could be you or someone you love. That's why we Relay.

When you join a Relay For Life event, like the Relay for Life of Upper Bucks-Mont you're helping the American Cancer Society fund groundbreaking research, crucial patient care programs and education and prevention information. The money raised through Relay For Life events helps realize the American Cancer Society's mission to save lives, celebrate life and lead the fight for a world without cancer.

**Upper Bucks-Mont's Relay for Life is scheduled for Saturday May 18, 2019  
from 9 a.m. until 11 p.m. at Camelot Park.**
