

Upper Hanover Township

Team Application for Athletic Fields

- Applications are due on or before January 31st. Applications submitted after January 31st will only be considered if there is an open field time remaining. The teams should specify desired days and time of day for field usage. Applications will be reviewed by March 1st.
- Because they are softball fields, softball teams will have preferential access to the fields.
- We will accommodate as many applicants as possible. Approval will be based on past experience with the team, location of the team, what the team wants the field for, and availability.
- Waivers, Insurance Certificates, Agreements, and maintenance fees may be required after approval.
- After each softball field use the batter boxes, pitcher's circle and the base paths must be raked. Each team should leave the field and surrounding area in good condition with all trash deposited in a receptacle.
- If you book a day and time for field usage you must use the field on that specified day and time, weather permitting. Continued failure to use the field during the period booked may lead to forfeiture of the field if other teams have use for the field.
