

CHECKLIST FOR OBTAINING A BUILDING PERMIT

1. Proof of ownership or authorized agent representing property is required.
2. The applicant must complete a Uniform Zoning/Construction Permit Application (attached). All questions must be completed since all information provided determines issuance of the permit.
3. Building Plans and list of Materials must be submitted with the application. If a Non-Residential building is to be constructed, the application must submit two (2) sets of construction drawings to which an architect or engineer has applied his seal.
4. A Plot Plan on a separate sheet showing size and location of all structures, either on-lot sewage or public sewer tie in, on-lot water well and distance to property lines (hand drawn is acceptable).
5. Copy of Workers' Compensation Certificate. (See attached form)
6. Copy of the Erosion and Sedimentation Plan and approval letter from the County as applicable. Depending on the area of the expanded footprint, stormwater management may be necessary.
7. Depending on the amount of new impervious surface to be constructed, a Stormwater Management Plan may be required. In most cases, new impervious area of 1,000 SF or more will require a Stormwater Management Plan (sample design worksheets are attached)
8. If the application is for a New Home, a septic system permit issued by the Sewage Enforcement Officer or evidence of a tapping or connection fee being paid to the respective public sewer entity must be submitted with the application. A road crossing permit may be required for excavating to a sewer tap or water tap. Check with LTL staff for requirements in your Municipality (local and State).
9. A copy of the well permit issued by the authorized well permit department (if other than LTL), must be attached.
10. If the application is for additions involving bedrooms, Sewage Enforcement Officer must also verify by letter, the adequacy of existing on lot septic systems prior to the issuance of permit.
11. An Electrical Permit may be required with the building permit. The application will be provided with the permit application.
12. A Plumbing Permit may be required with the building permit. The application will be provided with the permit application.
13. A Driveway Permit is required for any new driveway. If the driveway abuts a State Route, a PennDOT Highway Occupancy Permit is required.
14. The applicant should have stakes placed at the corners where the structure is to be built. The building inspector will check this stakeout before the building permit will be issued.
15. If the proposed construction is for a non-residential building, a Land Development Plan may be required.

Most Permit fees are based on square footage using the rate in the Municipality schedule of Fees. Payment is required upon issuance of permit and prior to construction. All fees shall be payable to the Municipality.

Commercial permits shall be granted or refused within 30 days as per the Uniform Construction Code requirements after the written application has been submitted and determined complete. **LTL makes every effort to process and issue residential permits within 10 working days. Questions regarding permits can be directed to LTL @ 610-987-9290 or 888-987-8886.**

Remember PA One-Call before excavating, simply dial 811, or www.paonecall.org.

UPPER HANOVER TOWNSHIP

SPECIAL REQUIREMENTS

1. Building permit applications are dropped off and picked up at Upper Hanover Township.
2. A well permit is required. Contact Eugene Evanna at the Montgomery County Health Department at 610-970-5040 ext. 4216.
3. If the application is for new home or an addition involving bedrooms, contact Montgomery County Health Department. The contact person is Eugene Evanna at 610-970-5040 ext. 4216.
4. If the application is for a new home, a septic permit issued by the Montgomery County Health Department or evidence of a tapping or connection fee being paid must be submitted with the application.
5. Non-Residential Construction: Two sets of Construction drawings to which a registered architect or engineer has applied his or her seal and signature are required. One set will be returned with the permit. LTL performs all plan reviews and inspections, including accessibility. PA Dept. of L & I will not be involved.
6. **Any building questions contact LTL Consultants at our Toll Free number 1-888-987-8886.**
